

*Green Needham Collaborative  
Invites You To Drop In At The*  
**Home Energy Café**

**Sunday, November 22**

**Needham Library Community Room**

**Drop in anytime between 1:30 pm to 3:30 pm**

Enjoy whole foods, snacks and fair trade coffee and tea while you...

***Take the 10% Challenge***

This flagship Green Needham project shows Needham residents how to reduce their energy use and carbon footprint. Volunteers with laptops will be on hand to help you choose actions that will lower your energy consumption and your energy bills.

***Get Home Energy  
Reduction Information***

A representative from Next Step Living will be on hand to answer questions about Home Energy Audits.

***Play “It’s Your Planet”  
Challenge***

Fun conversations about our environment, energy and saving money disguised as a game show.

***Vote With Your Fork***

Get some new recipes and learn about home gardening and community farming.
